Better Built With More Power for Your Cooking Needs

Better Built Components

With a stainless steel interior, hidden vent and a stainless finish handle, this microwave provides a premium look and features components that are built to last.

Sensor Cooking Option

Cook a variety of food with presets that monitor humidity and automatically adjust cooking time.

Over-the-Range Microwave

MMV6180W

Available June 2009

Charcoal Filter

High airflow passes through this filter to quickly and efficiently remove odor and steam from the kitchen.
